End of KS2 ASSESSMENT RESULTS 2023

Schools are required to publish KS2 data on their websites – showing their most recent KS2 results. The following document provides statistical information comparing our pupils' attainment and achievement compared to National counterparts.

As a result of the Covid-19 pandemic, the government took the decision to cancel the Key Stage 2 SATs and Teacher Assessments in 2020 and 2021. The outcomes of SATs and assessments in 2022 are for internal purposes only and so no data will be published in 2022.
