## Achieve Believe Care

### Home School Agreement for

.....

#### **Why we have a Home School Agreement**

We believe that your child has the right to the very best education.

The responsibility for the education of your child is shared between home and school.

Children do better in school when their parents and teachers work together.

This partnership agreement sets out the way in which we (the school) and you (the parents/carers) can work together.

#### **ETHOS**
